

# Welcome to Leftover Challenge EU project 1st Newsletter! 🙌

March 8, 2024

## About the project

The initiative aims to raise food waste awareness and its impact for children through a Serious Game, hosted on the project's website, and a Lesson Plan for teachers providing guidelines, ultimately inviting educational institutions to incorporate the game into their educational programs.

## Kick-Off Meeting

The kick-off meeting of the Erasmus+ project Leftover Challenge, was held in-person on February 22nd in Leeuwarden (Netherlands) in the headquarters of the lead partner 8D Games bv.
